

KADI SARVA VISHWAVIDYALAYA

Programme of the M.E Semester 1 (All Branch) & MBA Semester 1 (Theory Examination)

April - 2021 Examination (Online Examination)

Date / Day	Time: 9.30 am to 11.30 noon (Duration : 02 Hours)						
	ME Semester 1						MCA Semester 1
	Thermal Engineering	Automobile Engineering	Production Engineering	Electrical Power System	Computer Engineering	Civil Infra Engineering	
22/04/2021 Thursday	Research Methodology (Common Paper for All Branch)						Web Development Technology
23/04/2021 Friday	Advanced Thermodynamics & Heat Transfer (Common with Automobile)		Machining Science	Modern Control Systems	Design And Analysis Of Algorithms	Geo techniques For Infrastructure	Advanced Database Management Systems
24/04/2021 Saturday	Fluid Mechanics & Gas Dynamics	Advanced Automotive System	Advance Casting Techniques	Economics Of Power Systems	Data Warehousing And Data Mining	Infrastructure Planning & Management	Advanced Networking
26/04/2021 Monday	Instrumentation For Engineers	Vehicle Dynamics	Production Automation & CNC Technology	Power System Modeling & Simulation	Service Oriented Architecture	Urban Infrastructure Planning Engineering	Programming Using Open Source
27/04/2021 Tuesday	Advanced Internal Combustion Engine (Common with Automobile)		Product Design For Manufacture	Advanced Power System Protection	Applied Mathematics	Railway, Airport & Marine Structure	*****
28/04/2021 Wednesday	Boiler Technology	Automobile Safety, Maintenance & Pollution Control	Non Traditional Machining	Power Quality	Information & Network Security	Hydropower Engineering	*****
