FOR THE INFORMATION OF STUDENTS

Dear Students

I take this opportunity in connecting with you to inform you about the steps being taken by the University for your benefit. It is already known that the University has decided to conduct online examination for all students of the University studying in various courses. However, concerns have been received from the students regarding the conduct of online examination. In this regard it is to inform you all that any worries regarding the online examination should not be there. We at University have tried to make the examination as simple as possible so that you can give the examination with a better frame of mind.

Further, for any student of any semester if Mid Semester Examination/Remedial is remaining to be taken it is deemed to be completed and accordingly you are being granted marks for the same. The mid semester examinations will be evaluated on the basis of your assignments or any other work which has been given by your faculty and the same would be considered for grading your mid semester/remedial examination.

The Question Paper model will be as follows:
