

**K. B. Institute of Pharmaceutical Education and Research, Gandhinagar
Grants/ Projects (June 2015 to December-2019)**

Sr. No.	Name of PI	Names of Co-Investigator	Title	Granting authority	Name of Scheme	Year	Starting date	Completion date	Amount sanctioned (Rs.)	Amount received	Duration	Status	No. of Presentation/ Publication
Department of Pharmaceutical Chemistry													
NIL													
Department of Pharmacology and Pharmacy Practice													
1	Dr. Nimisha Kakadia	Dr. Niranjan Kanaki	Formulation and evaluation of polyherbal formulation for the treatment of post-menopausal osteoporosis	GUJCOST	MRP	2015-16	28-03-2016	Ongoing	4,80,000/-	4,80,000/-	2 years	Ongoing	Presentation (1)
2	Roshni Patel	Dr. Gaurang Shah	Evaluation of aldose reductase inhibitors in high fat diet-streptozotocin induced rat model for polycystic ovary syndrome	GUJCOST	MRP	2015-16	28-03-2016	Ongoing	6,78,000/-	6,78,000/-	2 years	Ongoing	Publication (3) Presentation (1)
3	Dr. Priyanshee Rathod	Neil Modi, Roshni Patel	Boil seeds of <i>Nigella sativa</i> with milk which give relief from joint pain.	Sristi-Birac Gyti	Appreciation Award on Grassroots Innovations of Sristi under practices from shodhyatra (SY)	2016-17	04-05-2016	30-11-2018	100000/-	100000/-	1 year	Completed	Presentation (1)
4	Dr. Nimisha Kakadia	Juhi Patel	Formulation development, Evaluation and Effectiveness of <i>Calotropis procera</i> latex in burn.	Sristi-Birac Gyti	Appreciation Award on Grassroots Innovations of Sristi under practices from shodhyatra (SY)	2016-17	04-05-2016	30-11-2018	100000/-	100000/-	1 year	Completed	-
5	Roshni Patel	Shahrukh Kadri, Dr. Priyanshee Rathod	Evaluation of anti-rheumatoid activity of <i>Calotropis procera</i> extract using animal model	Sristi-Birac Gyti	Appreciation Award on Grassroots Innovations of Sristi under practices from shodhyatra (SY)	2016-17	04-05-2016	30-11-2018	100000/-	100000/-	1 year	Completed	In communication
Department of Pharmaceutical Technology													
6	Dr. Punit Parejiya	Dr. Hetal Patel, Dr. Pragna Shelat	Development and characterization of nail drug delivery system for treatment of onychomycosis	GUJCOST	MRP	2015-18	28-03-2016	Ongoing	480000	440000	3 years	Ongoing	In communication
Department of Pharmacognosy and RA													
8	Mrs. Khushboo Jethva (Ph.D. Student- KSV)	Guide- Maitreyi Zaveri	Investigation of medicinal plants for development of anti- tuberculosis poly herbal formulation	DST-INSPIRE	INSPIRE fellowship	2015	Feb-15	Feb-20	350000/- per year	350000/- per year	5 years	ongoing	2 presentation 2 publications
9	Vinit Movaliya	Maitreyi Zaveri	Development of nephroprotective formulation by using selected Pasanbheda plants.	GUJCOST	Minor Research Scheme	2015	Mar-15	May-19	165000/-	165000/-	2 years	completed	2 presentation
10	Bhavita Dhru	Maitreyi Zaveri Sonal Patel	Bioactivity guided fractionation to isolate the compound from leaf of <i>Gymnosporia montana</i> and development of novel herbal formulation for hepatic disorders	GUJCOST	Minor Research Scheme	2015	Mar-15	May-19	145000/-	145000/-	2 years	ongoing	2 presentation 2 publications

11	Lata panchal	Maitreyi Zaveri	Formulation development and evaluation of dispersed systems using natural gums	GUJCOST	Minor Research Scheme	2015	Mar-15	May-19	120000/-	120000/-	2 years	ongoing	-
12	Maitreyi Zaveri	Sonal Patel	Anti proliferative effect of <i>Gendarussa vulgaris</i> on breast cancer cell line	GUJCOST	(SCI-TECH)	2016	Mar-16	Mar-17	23000/-	23000/-	1 year	completed	2 presentation 2 publication
13	Maitreyi Zaveri	Bhavita Dhru	To validate the claim in animal model or any suitable <i>in-vitro</i> study	Sristi-Birac Gyti	Appreciation Award on Grassroots Innovations of Sristi under practices from shodhyatra (SY)	2016	Sep-16		100000/-	50,000	1 year	ongoing	-
14	Niranjan Kanaki	Vinit Movaliya	Isolation and characterization of compounds in fruits of <i>Solanum xanthocarpum</i> having antimicrobial property against oral / teeth pathogens.	Sristi-Birac Gyti	Appreciation Award on Grassroots Innovations of Sristi under practices from shodhyatra (SY)	2016	Sep-16	-	100000/-	50,000	1 year	ongoing	-
15	Vinit Movaliya	Niranjan Kanaki	Isolation and characterization of compounds in leaf of <i>Embelica officinalis</i> having antimicrobial property against oral / teeth pathogens.	Sristi-Birac Gyti	Appreciation Award on Grassroots Innovations of Sristi under practices from shodhyatra (SY)	2016	Sep-16	-	100000/-	50,000	1 year	ongoing	-
16	Niranjan Kanaki	Dr. Divyang Dave	Cytotoxic Effect of Probiotic Culture MTCC 5463 on Caco-2 Cell Line	Department of Dairy Microbiology , Anand Agriculture University	Non-govt.	2017	Jan-17	Mar-17	25000	25000	3 months	completed	-
